# Curriculum Corner

*“Amazing love, how can it be, that you my King would die for me...”*

During the month of February your little ones learned stories about Jesus’ love for everyone.

Jesus wants us to share His love with others, in other words, share our love with one another. That is what Jesus did when he died on the cross for us. He shared his love for us in such a big way that his love continues to go on and on. He loves us no matter what; even when we make mistakes!

Lent is a time to grow in our faith and make changes in our life that show our love for Jesus.

The cross is a reminder of Jesus’ suffering and death to redeem us – to forgive our sins. He gave His very life, because of His love for us. We must learn that we too must GIVE. Our giving shows others our love for our Savior---Jesus the ultimate GIVER. Let’s live a GIVER’S life to help others and show Jesus’ love for everyone!
